

THE MBA OATH

Responsible Value Creation

As a manager, my purpose is to serve the greater good by bringing together people and resources to create value that no single individual can build alone. Therefore I will seek a course that enhances the value my enterprise can create for society over the long term. I recognize that my decisions can have far-reaching consequences that affect the well-being of individuals inside and outside my enterprise, today and in the future. As I reconcile the interests of different constituencies, I will face difficult choices.

Therefore I promise:

I will act with utmost integrity and pursue my work in an ethical manner.

I will safeguard the interests of my shareholders, co-workers, customers and the society in which we operate.

I will manage my enterprise in good faith, guarding against decisions and behavior that advance my own narrow ambitions but harm the enterprise and the societies it serves.

I will understand and uphold, both in letter and in spirit, the laws and contracts governing my own conduct and that of my enterprise.

I will take responsibility for my actions, and will represent the performance and risks of my enterprise accurately and honestly.

I will develop both myself and other managers under my supervision so that the profession continues to grow and contribute to the well-being of society.

I will strive to create sustainable economic, social, and environmental prosperity worldwide.

I will be accountable to my peers and they will be accountable to me for living by this oath.

This oath I make freely, and upon my honor.
